at Golf Le Versant

The Le Versant Lifestyle

Being a member of Golf Le Versant is about much more than playing our favorite sport. It means being part of a community where golf enthusiasts, families, friends, business partners and people who simply enjoy spending time together in an exceptional environment come together. It also means being an ambassador for the club and helping it shine through your passion and pride.

Club life is first and foremost about people. It is built on the connections we make, the conversations we share, the rounds we play together and all those little moments that, over time, make us realize that we no longer come to the club simply to play golf—we come to see our friends and our community.

At Golf Le Versant, we strive to foster a true sense of belonging. Our leagues, activities, tournaments and events provide countless opportunities to build relationships, meet new people and create a strong community around our shared passion for golf.

Whether you have been a member for many years or are just discovering the club lifestyle, we want you to feel at home here, to be proud to be part of Le Versant and to make every visit an opportunity to enjoy a memorable experience.

The quality of our courses and facilities is extremely important, but what truly gives a club its soul are the people who make it their home, the relationships that are built and the memories that are created along the way.

Le Versant is a place where we come to play, but above all, a place where we love to come together.

CLUB INFORMATION

RESPECT & COURTESY

Every member is expected to maintain a respectful attitude at all times toward fellow members, guests, employees, golf professionals and club management. Aggressive behavior, disrespectful language, bullying, confrontations, or any conduct that may make others uncomfortable or negatively affect their experience will not be tolerated

OUR TEAM MEMBERS

Our team is here to provide you with the best possible service. We ask that you treat every team member with respect and courtesy. Comments or behavior that could make an employee feel uncomfortable, even when intended as humor, should be avoided.

TEE TIME RESERVATIONS & POLICIES

Members may book tee times up to 14 days in advance, while guests may book up to 10 days in advance. Cancellations must be made no later than 8:00 p.m. the day before the scheduled tee time to avoid any penalty.

MEMBERS & THEIR GUESTS

Members are responsible for their guests and must ensure that they are familiar with and respect the club's rules and dress code. We are pleased to welcome your guests and strive to provide them with an experience that reflects the high standards of Golf Le Versant.

DRESS CODE

Clean, neat and appropriate golf attire is required on the courses and throughout the club facilities.

ON-COURSE ETIQUETTE

Respecting proper golf etiquette helps ensure that everyone can fully enjoy their round. We ask all golfers to respect their tee times, maintain a reasonable pace of play, repair ball marks on the greens, replace divots, rake bunkers and follow the instructions provided by our course maintenance team.

GOLF CARTS

Our golf carts are equipped with a GPS system offering a range of features, including precise distances to greens, hazards and various points of interest on the course. This technology helps golfers make more informed club selections and better manage their game strategy. The GPS system also provides course-related information and instructions and allows golfers to send messages to our golf professional when needed, for example, to report a club left behind on a hole.

The GPS system also helps manage pace of play and contributes to protecting our courses by providing guidance on cart traffic and designated access areas.

We encourage our members and their guests to make full use of this valuable tool to enjoy a smoother golf experience while helping preserve the quality and condition of our courses.

FACILITIES & AMENITIES

The facilities at Golf Le Versant represent a significant investment and must be used with care and respect. Anyone who intentionally or negligently causes damage to the club's property, equipment or facilities may be held responsible for the costs associated with repairs or replacement.

RESPECT FOR FELLOW GOLFERS

Golf is a sport that requires concentration and courtesy. We ask all golfers to limit any behavior that may disturb others during their round.

We encourage you to use electronic devices discreetly in order to preserve the peaceful and enjoyable atmosphere of the club. Phone calls should be kept at a reasonable volume, and music should always be played at a level that does not disturb other members.

MEMBERSHIP INTERRUPTION PROTECTION PROGRAM

A new optional Membership Interruption Protection Program is being offered for the 2027 season to help protect our members' investment.

This protection is designed to provide members with greater peace of mind should an unforeseen and eligible circumstance prevent them from using their membership for a significant portion of the season.

RESTAURANT & DINING AREAS

LGolf Le Versant offers several opportunities to extend your experience beyond the golf course. At Ciao! restaurant and on its terrace, you can enjoy breakfast, lunch or dinner in a welcoming and relaxed atmosphere. In the evening, enjoy an à la carte menu or a table d'hôte, complemented by a fine selection of wines.

Throughout the season, themed evenings add to the club experience and provide wonderful opportunities to gather with fellow members, family and friends.

For a break between nines, two snack bars are conveniently located on the courses. During the busiest periods, a mobile food and beverage cart also brings refreshments directly to the course.

Whether you are starting your day, taking a break between nines or ending your round with a delicious meal, Le Versant invites you to make the most of its dining areas.

Your Members' Committee also organizes several special evenings throughout the season, creating opportunities to come together in a festive atmosphere with music, dancing and great moments shared among members.

ENFORCEMENT OF CLUB RULES

The management reserves the right to intervene when a situation contravenes the club's rules and standards or compromises the experience, safety or well-being of members, guests or employees.

Members are encouraged to cooperate with management and staff in maintaining the high standards of quality and respect that are the hallmark of Golf Le Versant.

Thank you for contributing, through your attitude and conduct, to making Golf Le Versant a club we can all be proud to be part of.
